To enter we are asking for children to submit their design in the following format:

- Design can be traditional, contemporary, modern, or even humorous featuring a joke.
- Please make designs, colourful and cheery as possible
- Ensure that the artist writes their first name and age at the top or bottom corner of the entry
- Remember to include all parent contact details with your entry
- PLEASE KEEP ORIGINAL DESIGNS SAFE – the original artwork of the winning design may need to be used to print the final winning card design
- Please photograph (in good light without shadows) your design, or scan and email your designs to Rachel.joseph@sephardi.org.uk
